There's a lot of things going wrong in America at the moment, that are getting a bit sticky, and what not, and it's really nice to come to an open air festival where there's no really bad thing happening, and everything has carried on peacefully. It's really nice. I heard on the news last night, on the television news, a geezer who works the petrol pumps in Shepton Mallet said something like Shepton Mallet would never be the same, but I think it's just added to everything that's here does that a little bit every now and then. As I can't light me cigarette.

Living in Oklahoma, living in Tulsa, living in Tulsa, which is a good 24 hours away from ah ah we'd like to, or Jimmy'd like to play a number from the Welsch mountains, or about a place in the Welsch mountains. It's on the side of some beautiful hills, and there's all this spiel coming down the hills, and all that sort of thing. It's a beautiful, it's a beautiful, it's really a beautiful place, there's no two ways about it. And the Welsch pronunciation for Golden Breast is not it's, its called Bron Yr-Aur. You'll be hearing a lot more of that. You see what you have to do. It's a different tuning for this number, and you have to be sufficiently taken back to those mountains before you can get the tuning right.

Yeah, it gives us great, ah what was I going to say? It gives us great pleasure to hear that cause ah Thank you, hang on then. We've had a bit of abuse in the midwest. Everytime you sit on a chair and pick up a mandolin, it's EEEEEE. This next thing's an

intrumental featuring Jimmy on guitar. This is a thing called Bron-Yr-Aur. Now Bron-Yr-Aur is the name of a little cottage in the mountains of Snowdonia, in Wales, and Bron-Yr-Aur is the Welsch equivalent of the term Golden Breast. This is so because of its position every morning when the sun rises, it's a remarkable place. So, after staying there for a while and deciding it was time to leave for various reasons, we couldn't really just leave it and forget about it, You've probably all been to a place like that. Only we can tell you about it, and you can't tell us. You're alright, aren't you? Jimmy Page.

I spokt to a close friend of his about half an hour ago, and he said that he would probably prefer that everybody get together and have a really good time, rather than talk about it. So we'd like to get on and try to make everybody happy, right? And so do it. We'd like to do a track from the new album that comes out. It comes out anyway. In fact it might come out within the next two weeks. Now that, we don't know. We finished it about six weeks ago, so who can tell? This is a thing called That's the Way.

"いいかい?これ以上話を進める前に、少し静かにしてもらえますか?ちょっと静かにしてもらえますか?そうだね、僕らが話している人たちが言われたくないようなことを話し始めるのは、かなり不謹慎な気がするけど、昨日、みんなにとってかなり不快なことが起こったんだ。音楽界全体にとって大きな損失が生じた。私たちだけでなく、皆さんもジミ・ヘンドリックスが亡くなったことをとても残念に思っていると思います。30 分ほど前に彼の親しい友人と話したのですが、彼はそのことを話すよりも、みんなが集まって本当に楽しい時間を過ごしたいと言っていました。だから私たちは、みんながハッピーになるように努力したいよね。だからそうしよう。発売されるニューアルバムから1曲やりたい。どうせ出るんだから。実際、2週間以内に出るかもしれない。今はまだわからない。6週間ほど前に完成したから、誰にもわからないよ。これは That's the Way というものだ。"

John Paul Jones on mandolin. Right, that was called That's the Way. We'd like to feature Jimmy on guitar now in a solo. This is a thing, this is a piece entitled Bron-Yr-Aur. Now Bron-Yr-Aur, to at least two of our audience, should ring a bell. It's the name of a small cottage in the south hills of Sonowdonia, in Wales. The Welsh mountains. And the name is a Welsh name, which translated into English American, means Golden Breast. Which leaves a lot to the imagination. ah This cottage is placed upon the side of a hill cause every morning when the sun comes up, from a distance, the slate stone looks like gold. And the fact that it's been derilict for about forty years, and then relived in. We decided that every time we we're gonna play, we were gonna play this piece of music, just to remember one or two of the places that were good. Far out man. Jimmy Page, Bron-Yr-Aur. "マンドリンのジョン・ポール・ジョーンズ。そう、あれは『That's the Way』という曲だった。今度はジミーのギターをソロでフィーチャーしたい。これは『Bron-Yr-Aur』という曲だ。Bron-Yr-Aur といえば、少なくとも 2 人の聴衆はピンとくるはずだ。ウェールズのソノウドニアの南の丘にある小さなコテージの名前だ。ウェールズの山々だ。そして、この名前はウェールズの名前で、英米語に訳すとゴールデンブレストという意味になる。このコテージは丘の中腹にあり、毎朝太陽が昇ると、遠くから見るとスレートが金のように見える。そして、約 40 年間放置されたままだったという事実。僕たちは、演奏するたびにこの曲を演奏しようと決めたんだ。遠くへ。ジミー・ペイジ、Bron-Yr-Aur."
